

Ono Academic College

COURSE SYLLABUS

Name of Course: Mitkadmim Aleph - **Online** – Open University

Course Information:

The course will be taught in the following format:

a) 3 frontal sessions (please check the course site for dates)

b) 9 online independent study sessions – <http://study.onl.co.il/>

Course Objectives:

You will learn how to independently read and comprehend an academic text in English using the reading strategies learned in class and in the online course.

Learner Outcomes

1. When given a text of 1200 – 1800 words with high frequency vocabulary, learner will be able to identify and apply appropriate reading strategies (predicting, scanning, skimming, etc.) to achieve comprehension of the text.
2. Learner will be able to recognize complex grammatical structures and sentence patterns in a text.
3. Learner can recognize and extract the main idea from the text and differentiate between main idea and supporting details.

Method of Instruction

Three in-class meetings and nine online study units.

Class Requirements:

Student must independently learn the material via the online course. It is recommended that you participate in the three frontal classes.

Calculation of Final Grade:

100% - Final Exam
